Email: boomerroseofficial@outlook.com

## EMPLOYER

January 1, 2021 to Present      Humanistic Technologies:  
Partner: UX/UI Expert

## LIVED EXPERIENCE

Boomer Rose is a grateful recovering addict. Having experienced incarceration, institutions, and a near-fatal overdose he understands the challenges individuals face upon re-entry and early recovery. Boomer uses his personal experiences with addiction, trauma, and the criminal justice system to better understand the needs of those searching for services at a deeper level.

June 21, 2017 to present      Recovering drug addict  
Member of the recovery community. During this time, Boomer has helped hundreds of individuals, on a one-to-one and one-to-group peer basis navigate the difficult drug recovery process.

June 6, 2019                      Successfully Completed Probation  
Successfully completed 2 years of supervised criminal court probation for previous drug charges

January 2016 to 2017            Homeless  
Due to Boomer's severe addition issues, he lived on the street which lead to profound food, clothing and housing insecurity. Also, he would sleep in dangerous and/or dirty environments

January 2006 to 2017            Drug Addict  

- Polysubstance abuse issues
- Intravenous drug abuse

January 2013 to 2017            Incarceration  
Incarcerate several times for substance use charges and multiple technical violations

January 2005 to 2008            Domestic Violence  
Victim of a verbal and physical abuse.

January 1987 to 1992            Child Abuse  
Survivor and witness of child abuse
